## iQ-3600-HD High Volume Bulk Weigher

### Project

Customer's project required high speed bulk filling of 10 kg to 22 kg of dry free flowing leafy spices into various size bags. Their scales were outfitted with multiple options including a (1) removable dusthood, (2) adjustable bag shelf, bag clamp, (3) AB Controls with UL label controlled box and others. ([download brochure here](#)) ([Video](#))

**(1) Shown Above: iQ-3600-HD with Dusthood, and 10 kg bag secured by bag clamp**

**(2) Shown Above: Top View of 22 kg secured by bag clamp and supported on adjustable height bag shelf with roller conveyor.**

**(3) Shown Above: AB Control options requested by customer and UL labeled control box**
