

Weighing In

A newsletter from Weigh Right

Filling charcoal or wood chunks into retail or bulk bags.

For customers who need package larger piece size products like charcoal or wood chunks into retail or bulk bags, Weigh Right offers our iQ-3602-HD bulk filling scale or our custom PMB-4 scale.

Weigh Right also makes custom conveyors for bag take away or dual discharge hoppers to accommodate 2 operators. This customer requested the discharge hopper be designed for social distancing.

If you package larger piece size products call Weigh Right today to review your project. See the iQ-3602-HD and PMB-4 in action in our video link below.
