Scales ready for Quick-Shipping:

Dear Sales Representative: Weigh Right has 3 scales that are ready to ship to your customers, call us to discuss.

1. Our [iQ-1E entry level scale](#) with a two-tray feed design. This is an upgraded iQ-1E that is more versatile for bulkier products like granola, small candies or plastic pieces.
2. Our [G-50-E entry level Direct Fill Scale](#) that allows the customer to hand-place a carton on the roller deck platform with a load cell built-in. It's designed for 5 to 50 lbs. fills.
3. Our [iQ-Shuttle](#) which is our economical high-speed scale that can interface with an indexing conveyor or mounted over a bagger.
